Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment:

Examiner notes that the amendment filed September 14, 2006 fails to comply with 37 CFR 1.173 and 37 CFR 1.175. Any changes relative to the patent being reissued which are made by an amendment paper in the reissue application, must include the proper markings in accordance with 37 CFR 1.173(d). For any error corrected in each amendment, applicant must submit a supplemental oath or declaration stating that every such error arose without any deceptive intention on the part of the applicant in accordance with 37 CFR 1.175(b). Accordingly, the September 14, 2006 amendment has not entered.
